

Thank you to WMU School of Music

Alcott participants and staff wanted to express sincere appreciation to the WMU School of Music, Music Therapy students for volunteering their time and talents and working with our program during this past semester. Everyone had so much fun!

2023 Employee Survey-Results

Thank you to all employees who took the CLO survey—your feedback will help us with decision that will guide the work we do. The CLO Boards will be reviewing the results in June to develop goals for the agency. Your feedback is always welcome and encouraged!

What should be prioritized for 2023

Goodbyes to Lori

After 18 years, our Quality Assurance Director, Lori Anderson, said her goodbyes to CLO. She will be greatly missed and was celebrated by staff with a UofM themed party, video collage, and a crown fit for a Queen (of Quality).

Be Ready! Tornadoes

www.cdc.gov/phpr/infographics.htm

Get out!

Don't stay in a mobile home during a tornado. Find a sturdy building or seek shelter outside.

Watch out!

Most fatalities and injuries are caused by flying debris.

Look up!

If you see any of these danger signs, take shelter immediately:

- a dark or green colored sky
- large, dark, low-lying cloud
- large hail
- loud roar similar to a freight train

Tornado watch:

Tornadoes are possible. Be alert to changing conditions.

Tornado warning:

A tornado has been sighted or indicated by weather radar. Take shelter immediately.

Stay tuned!

Listen to local radio and TV stations for weather updates. Take shelter if a tornado warning is issued.

Be cautious!

Do not try to outrun a tornado. Find a sturdy building to take shelter or stop your car, put your head below the windows, and cover your head.

Take shelter!

The safest place is the interior part of a basement or an inside room, without windows, on the lowest floor.
